

Spectrum Lighting Inc., San Antonio, was founded in October of 1990. From the very beginning we have been dedicated to being the premier manufacturer's representative in South Texas. Since our inception, we have enjoyed tremendous growth in our agency. Currently we have 33 team members with over 650 years of combined experience. The diversity of our team is one of our greatest assets. Our team's backgrounds include manufacturing, electrical distribution, electrical engineering, architecture, theatre, audio visual, lighting control and lighting design.

Our Mission...

- To act as effective and profitable sales representatives for our manufacturers.
- To bring to market the most innovative and technologically advanced products on the market today.
- To meet the needs of a diverse market by offering a broad array of quality lighting and electrical products while striving for superior service, conducting advanced training, maintaining a pledge to total customer satisfaction.
- To recognize and reward commitment, progress and integrity in the company team.
- To consistently focus on future goals by measuring and evaluating our performance.
