## EVERBRITE LIGHTING TECHNOLOGIES (ELT)

### 3 YEAR LIMITED WARRANTY

Everbrite Lighting Technologies hereinafter referred to as ELT offers a three (3) year limited warranty on the MedLux™ Ceiling GPI, Wall GPI, Advanced MRI lighting System and Advanced MRI Lighting Dimmer System, beginning from the date of shipment. During this period, if any product or component fails to operate under normal conditions, replacements will be furnished at no cost providing the defective product or component is returned to the designated ELT facility.

Upon receipt, the defective product or component will be analyzed to ensure the defective condition is an ELT responsibility. Customers must receive a Return Goods Authorization (RGA) number from an ELT representative, prior to the return of any products or components.

If an operating problem is found to be the fault of the end user, the customer will be responsible for the replacement parts costs. Any replaced unit or part will be warranted only for the remainder of the original product warranty period. Upon discovery, the end user must contact an ELT representative at 1-800-610-6053 to report all defective conditions.

#### PROVISIONS OF WARRANTY

Warranties do not cover the following conditions: damage or defects caused by the failure to provide a suitable and responsible installation environment for the product; damage caused by impact from other objects, vandalism, damage or defects resulting from misuse, abuse, mishandling, misapplication or faulty wiring; damage or defects caused by disturbances or surges in the electrical service; unauthorized attachments, alterations or modifications; or improper maintenance. ELT will not accept any responsibility for a unit that is moved from one location and re-installed at another, unless ELT is contacted prior to the move.

Under no circumstances shall ELT or its authorized sale's associates be liable for any special, incidental, or consequential damages based upon breach of warranty, breach of contract, negligence, strict liability, or any other legal theory. Such damages include, but are not limited to, loss of profits, loss of revenue, loss of use of the ELT product or any associated or connected product or equipment, cost of capital, cost of substitute or replacement equipment, facilities or services, down time, purchaser's time, or the claims of third parties.

#### DISCLAIMER OF WARRANTIES

The warranties stated above are the only warranties applicable to this product. All other warranties express or implied (including all implied warranties of merchantability or fitness for a particular purpose) are hereby disclaimed. No oral or written information, or advice given by Everbrite, its agents or employees, shall create a warranty or in any way increase the scope of this warranty.
