

Texas Coalition of Lighting Representatives

Bringing you quality lighting products, consistent levels of superior service and project management across the state of Texas.

You can count on your Acuity Brands Lighting Agencies. We work together to provide the state of Texas with the highest level of support and lighting expertise. Our coalition consists of four lighting agencies who are continuously building relationships to serve the architects, consulting engineers, lighting designers, electrical contractors and distributors throughout Texas.

The TCLR Commitment

- Regardless of the project location, design team, or contractor(s), we commit to maximize synergies across our shared manufacturers and agency services. Teamwork is present at the core of the TCLR Commitment.
- Consistency with design assistance includes light fixture selection, lighting controls layout, photometry/renderings, and pre-bid budgetary services.
- Project management coordination ensuring accuracy and on time deliveries.
- Highest quality products intersecting with owner's budget to ensure value for our shared customers across the state.
